

REMARKS

Claims 1, 2, 4, 6-9, 21, 23-25, 27, 28, and 30-32 are currently pending. Claims 21, 23-25, and 31-32 have been allowed. Claims 1-2, 4, 6-9, 27-28, and 30 have been rejected.

The Examiner is gratefully thanked for the indication of allowability for claims 21-23-25, and 31-32, which is hereby acknowledged by Applicants.

Claims 1-2, 4, 6-9, 27-28, and 30 have been rejected on the basis of 35 U.S.C. §103. Without acquiescence in the Office Action's basis for the rejections, and without prejudice to pursue in a related application, these claims have been cancelled in the present application thereby rendering the rejections moot at this time.

CONCLUSION

Based on the foregoing, all claims are believed allowable, and an allowance of the claims is respectfully requested. If the Examiner has any questions or comments, the Examiner is respectfully requested to contact the undersigned at the number listed below.

Applicant(s) hereby explicitly retracts and rescinds any and all of the arguments and disclaimers presented to distinguish the prior art of record during the prosecution of all parent and related application(s)/patent(s), and respectfully requests that the Examiner re-visit the prior art that such arguments and disclaimers were made to avoid.
